Firmware	Release Date
FZ9MG.10.01.00	December 20, 2019

Firmware Release history

Firmware: FZ9MG.10.01.00

Release Date: December 20, 2019

Features:

This is the initial release of firmware for this product. Peripheral board firmware versions included in this package are:

- Media Authentication Board firmware version 2.02.00
- Laminator Main Controller Board firmware version 1.17.00
- Laminator Media Authentication Board firmware version 2.02.00
- Heater Control Board firmware 1.11.00

Known Issues:

- The wrong K panel is destructed on several ribbon combinations.
- If there is a Laminate Feed Fail or Registration Error in the laminator while a job being printed, the job is aborted.
